

## EMERGENCY RESPONSE PLAN MEDICAL EMERGENCY

**Indicate Specific Dock Location!!!!**

- 1) CALL 911 – Indicate nature of medical emergency if known. Describe person. **If Related to Diving – Notify of possible Decompression Sickness**
- 2) Do not move person unless absolutely necessary
- 3) Perform CPR, AED or First Aid as appropriate
- 4) Position personnel to direct incoming responders

*Our goal is to insure safety of all employees, boaters and guests.*
